PETER B. COVERT  
CHIEF ADMINISTRATIVE OFFICER

Pursuant to and by the authority of a Resolution approved on November 13, 2017 by the Houston County Commission, the Houston County Commission authorized the Chairman of the Houston County Commission to determine when the Houston County Courthouse Complex, the Probate and Revenue Commission satellite buildings, public buildings owned or leased by and under the control of the Houston County Commission, and other county buildings are to be closed for an emergency or for special circumstances deemed necessary or appropriate.

Pursuant to that Resolution, the Chairman of the Houston County Commission has attempted to notify and communicate with all commissioners of the Houston County Commission prior to making the determination and has made the determination to close said buildings for an emergency or for special circumstances deemed necessary or appropriate.

Therefore, notice is hereby given that the Houston County Administration Building will delay opening until 10:00 a.m. on Wednesday, August 30th. This delay will allow our team members to clean up from the water intrusion experience today and expected overnight.

Done this the 29th day of August, 2023.

Brandon Soupe, Chairman

Notice of the closing shall be posted at the courthouse and shall be published otherwise in the manner as the county commission may direct.
