

POLICY #36

USE OF COUNTY LOGO

DATE ADOPTED: 7-28-08
MINUTE BOOK: 36 PAGE 207

POLICY: To establish guidelines concerning use of the county logo.

PROCEDURE: All County owned vehicles and County owned equipment is required to be marked with the County Logo. Exceptions to this would include small pieces of equipment such as weed-eater, push mowers, tools designed for personal use, etc. This list of exceptions would generally include those pieces of equipment too small for practical application of the county logo. The Sheriff's Department and EMA vehicles are excluded from this policy.

In addition, all correspondence of an official nature that is issued by county departments or county officials should have the county logo included on the correspondence.
