---

## FOR IMMEDIATE RELEASE

**DATE:** March 17, 2025

**CONTACT:** Vincent P. Vincent, Community Relations Officer – City of Dothan,  
334-615-3117

On Monday, March 24th, Houston County and the City of Dothan will permanently close the parking lot immediately across the street from the Houston County Courthouse, at the corner of W. Main Street and N. Oates Street. The closure will precede site work in preparation for the construction of Dothan's new City Hall.

A new parking lot has been constructed at the corner of N. Oates Street and E. Troy Street as well as immediately behind the Federal Courthouse at 100 E. Troy Street. A public parking lot is also available immediately next door to The Forum on W. Main Street. There is another parking available in the Pioneer Park Parking Lot (or Clock Tower Parking Lot), immediately across the street from the Dothan Police Department. 100 additional parking spaces will be constructed on the west side of the new City Hall complex, in the coming months.

These changes will help re-shape and improve the future of downtown Dothan.

Please see associated map detailing where parking will be available for the Houston County Courthouse.
