

# HOUSTON COUNTY Prescription Safety Glasses Authorization

Date: \_\_\_\_\_

Name: \_\_\_\_\_

Department: \_\_\_\_\_

Please provide the above employee with prescription safety glasses and bill Houston County Commission per our policy and agreement with EyeMart Express.

1. The safety glasses must have polycarbonate lens and side shields.
2. The employee must have a current prescription (within 1 year) to obtain safety glasses. The employee will be responsible for the cost of their own eye exam.
3. Present your county insurance (LGHIB card) or if you have purchased Humana vision coverage through the county, it will be applied to the cost of the vision exam.
4. The employee may choose from a group of pre-selected frames. If one of these frames does not fit properly to protect them, an alternate frame may be selected by the provider with authorization from the employer.
5. No transition lens (lens that change from clear to dark) are permitted.
6. If an employee has sensitivity to light a #1 gray tint is permitted.
